# Designed in Italy. Made in Slovenia.

## COMPANY PRINCIPLES

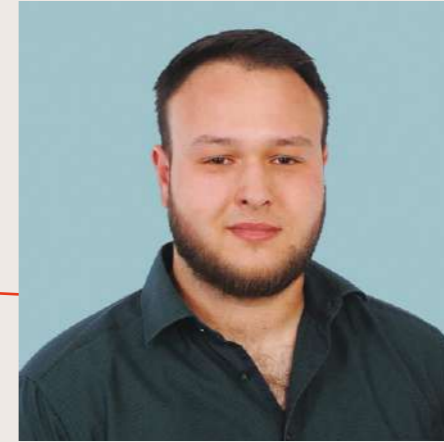

# We specialise in delivering innovative & stylish solutions.

We are dedicated to the manufacture of superior quality products. Our commitment lies in merging elegant design with superior craftsmanship, delivering only premium AC covers to our clients. Striving for excellence is our standard.

**Andrej Volpi**  
CEO

Seasoned entrepreneur with numerous successful businesses under his belt, armed with 25+ years of experience in managing and growing businesses on a global scale. Present endeavors include pinpointing market needs and developing fresh global enterprises.

**Jan Volpi**  
Sales Manager

A proficient Science Engineer, with experience contributing to several significant incubators and a proud alumnus of ITM Management School. Specialises in catalysing business development and driving sales through strategic partnerships.

**Nik Volpi**  
CTO

Mechanical engineer, leading the Production and Development team, with a strong understanding of technical modelling and industrial design. Specialises in designing AC covers that perfectly balance durability with aesthetics.

## PRODUCTS OVERVIEW

# Designed to last & beautify your real estate.

AirShield AC covers are not just functional shields for your outdoor AC units, but also stylish enhancements. Expertly designed to withstand severe weather and prolong your unit's lifespan, they are there to add a touch of elegance to your outdoor space.

## PRODUCT SHOWCASE

# Experience the Difference

INNOVATION IS IN OUR DNA

# Innovation meets **Aesthetics.** Function meets **Durability.**

We are dedicated to setting new standards in outdoor aesthetics, transforming utility into art. Elevate your home with AirShield AC covers – where sophistication meets sustainability.

PRODUCT SHOWCASE

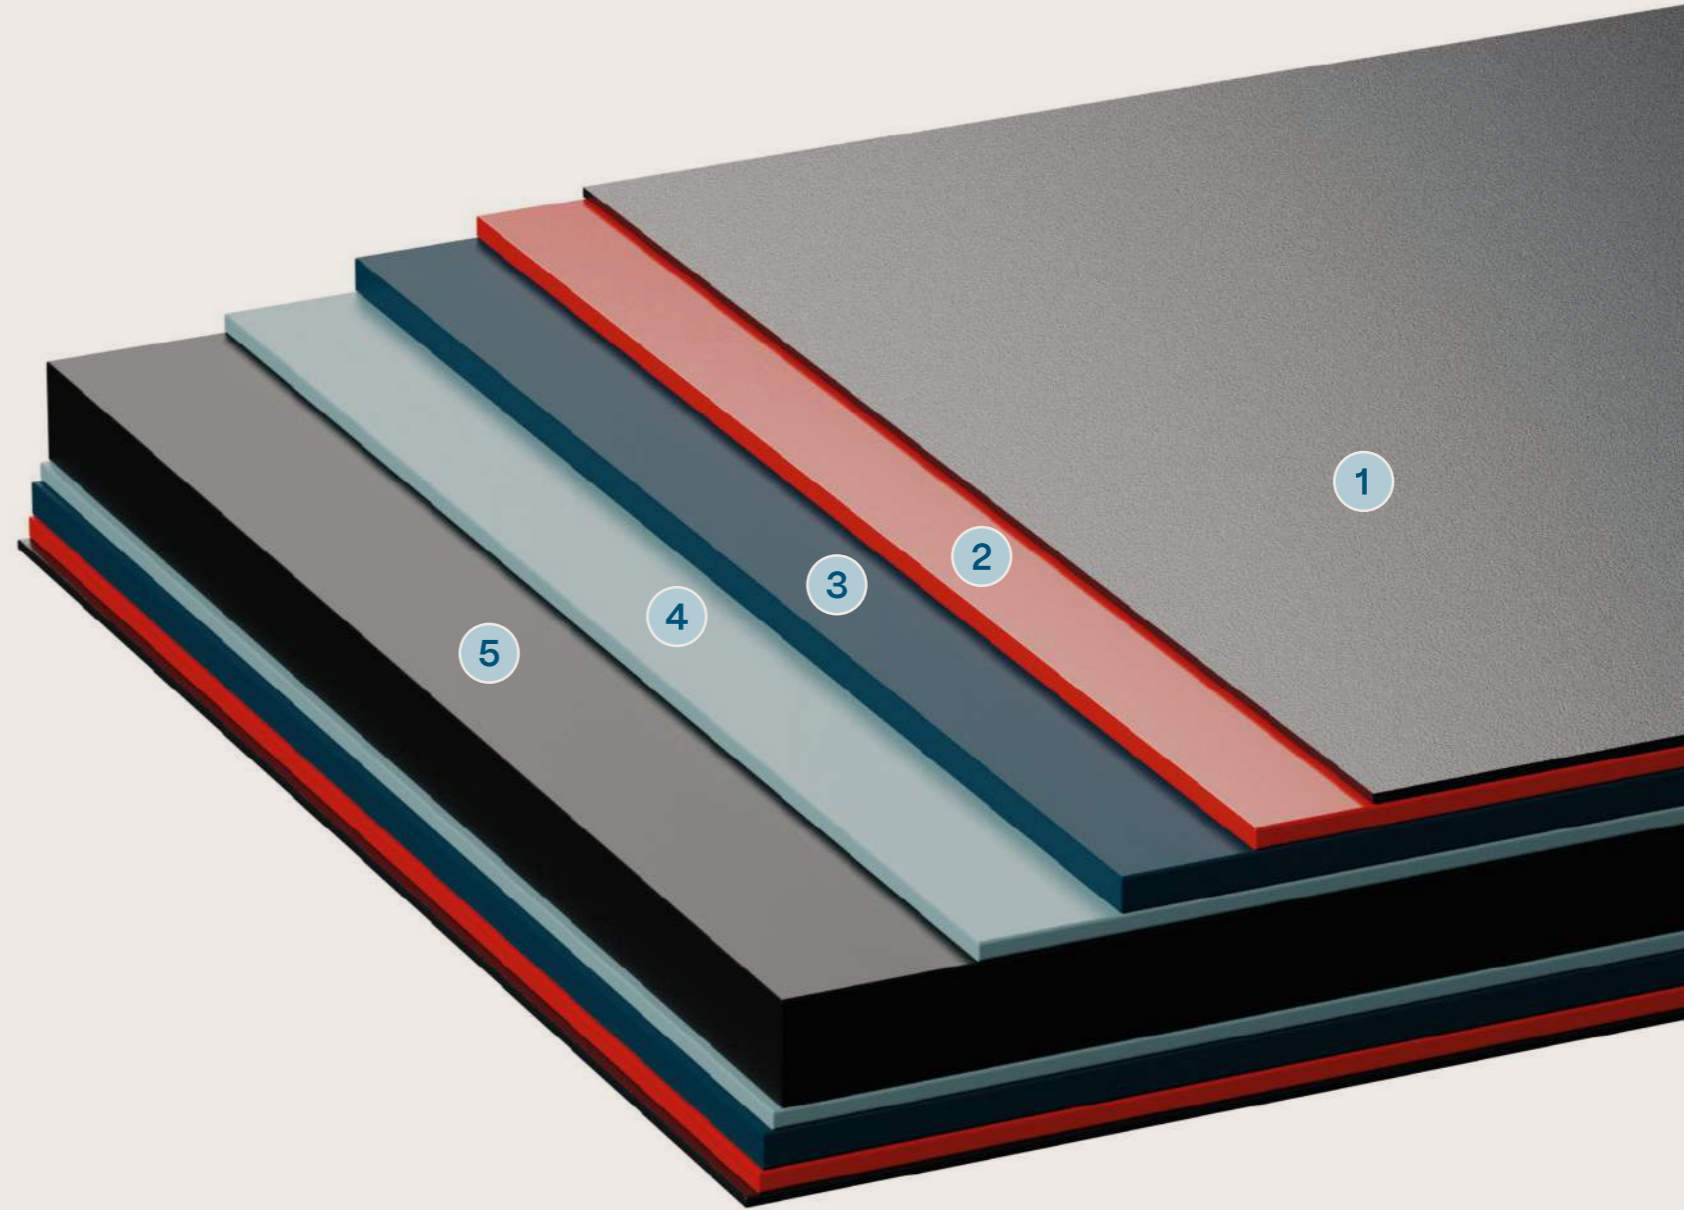

STRONG FOUNDATION

# Premium-grade materials, stacked in **perfect** layers.

Designed for ensuring an optimal balance of rigidity and flexibility for superior protection and fit of your outdoor AC units.

- 1 Protective Film
- 2 Paint Finish

ELEVATED MINIMALISM

# Attention to **details** is ingrained in company **culture.**

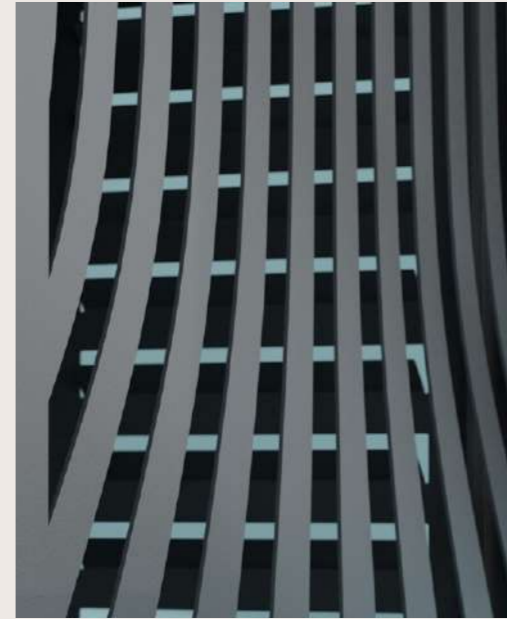

AirShield covers strike the right balance between detail and minimalism. They blend into your exterior decor, adding value to your property and safeguarding your AC units without demanding undue attention.

PRODUCT SHOWCASE

# Respect the Details

PRODUCT SHOWCASE

Embodying art in utility, every cover is an artistic expression in its own right. Balancing minimalist design with intricate detailing, these covers add just the right amount of subtle sophistication to your property while ensuring optimal AC unit protection.
